

ProElite "Analyzer & DIR" Professional Series Water Treatment Systems by GE Limited Warranty

Pentair Residential Filtration, LLC ("PRF") (a joint venture limited liability company created by General Electric Company and Pentair, Inc.) warrants the components and parts of the ProElite by GE Water Treatment Systems to be free of material defects in materials and workmanship for the specified period as listed.

- 10 Years (120 months) - Polyglass Reinforced Pressure Vessel, the ProElite by GE Cabinetry and the Regenerant Tank are warranted for a period of ten (10) years from the date of manufacture. The warranty specifically covers material defects in materials and workmanship in which the Polyglass Reinforced Pressure Vessel, the ProElite by GE Cabinetry, or the Regenerant Tank leak due to structural failure or material defect. Any cosmetic or physical appearance changes such as color fade or structural deterioration due to ultraviolet exposure are not covered under the terms of this warranty.
- 7 Years (84 months) - Ion Exchange Resin is warranted for seven (7) years provided adequate pre-treatment equipment is installed prior to the ProElite unit. Failure of the Ion Exchange Resin due to water conditions such as Chlorine and Ferrous Iron (clear water iron) is not covered by the limited warranty. If adequate whole house point-of-entry (POE) pre-treatment equipment is not installed, the Ion Exchange Resin is warranted for one (1) year (12 months) from the date of manufacture. Improper maintenance of pre-treatment equipment will nullify the Ion Exchange Resin portion of the warranty.
- 7 Years (84 months) - Control Valve Body and internal valve parts are warranted for seven (7) years from the date of manufacture.
- 5 Years (60 months) - Electronic Control including Tank Probe Assembly, Brine Valve with Brine Safety Shut-off Assembly and the Model 1265 Bypass are warranted for five (5) years from the date of manufacture.
- 1 Year (12 months) - All other components and parts not previously mentioned are warranted for one (1) year from the date of manufacture.

Should a material defect in workmanship or materials covered by this warranty become evident during the term of the warranty, then upon the consumer following the procedures set forth below, PRF will, at its sole option and in fulfillment of its obligations arising under this warranty, replace such defective item or part. This limited warranty explicitly covers only the replacement of defective parts and does not include the labor cost to remove and/or replace defective parts. Labor coverage may be offered and included by authorized ProElite by GE Dealer. Consumer should inquire as to labor coverage with their dealer.

PRF is not responsible under this warranty for any costs incurred for labor, trip charges, or shipping charges to replace any defective parts. In addition, PRF is not liable for any loss of time, inconvenience, or incidental expenses incurred in connection with the use or inability to use the system, removal or replacement of the equipment, or any other incidental or consequential charges.

Furthermore, PRF is not responsible for damage caused by accident, fire, flood, freezing, Acts of God, misuse, misapplication, neglect, oxidizing agents (such as chlorine, ozone, chloramines and other related oxidizers) alterations, installation or operation contrary to our printed instructions in the Operations Manual, or by the use of accessories or components which do not meet PRF specifications. In addition, PRF is not responsible for installation related failures, including but not limited to, improper affixed drain lines or failure of the plumbing hook-up.

In order to obtain the benefits of this warranty, the consumer who made the original purchase must contact their original ProElite by GE dealer as soon as possible after discovery of the defect, but in no event later than the expiration date of the warranty period provided in this warranty. In the event that the original installing dealer is unavailable, the consumer can contact PRF for assistance in locating an alternate dealer in their area for service. The limited warranty covers components and or parts of the ProElite by GE system only.

No dealer or other person has any authority to make any warranties or representations concerning PRF or its products. Accordingly, PRF is not responsible for any such warranties or representations.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER EXPRESSED OR IMPLIED WARRANTIES WHATSOEVER (EITHER IN FACT OR BY OPERATION OF LAW), INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE.
